

Help Out on State Natural Areas

Orion Mussel Bed Workday

Get out and enjoy the spring weather! We are teaming up with The Friends of the Lower Wisconsin Riverway (FLOW) to care for Orion Mussel Bed SNA. Orion mussel bed is known for mussels in the river but it also has several rare effigy mounds. DNR crews and volunteers have been working to clear brush and conduct burns on some of them. Volunteers will continue this effort by cutting and treating brambles and brush. This will benefit the plant community on the mounds. No skills needed you will be trained onsite.

Info about Orion Mussel Bed:

<http://dnr.wi.gov/topic/Lands/naturalareas/index.asp?SNA=298>

Date: May 20

Time: 2-5pm

Directions: From the junction of 60 and 80, just north of Muscoda travel east on 60 to the junction of OO and Gingers Rd. Take Gingers Rd south (right) to Aigner Ln. Turn right on Aigner Ln- staying straight until the dead end. [Google map.](#)

What to wear: Dress for the weather and wear clothes that are OK to get beat up. Long sleeves and long pants are needed.

What to bring: Leather gloves, drinking water, we will have equipment available for volunteers to use.
